

Ride Reports from the President

ANNUAL BREAKY RUN

Early start , a bit fresh but for the last 30 odd years its been like that, this run sorts the men from the boys,
A good turn up with nothing but blue skys , we head off from Kirra with scarfs & thick gloves to head to Byron on the way we stop at m/bah station to pick up some southern members ,some starting to take off helmets I informed them it was only a pick up lets go , The temp dropped a bit through the range & every bit of sun between the trees was lapped up for warmth , a good run to Byron where Phill & Justin had breaky going , hot pumkin soup [some say the best ever] & bacon & eggs hot tea & coffee. raffles were drawn Popeye said the scotch would warm him but by this time the sun was up & jumpers were coming off. A bit of a wander around the markets some picking up nicknacks , some checking out the locals.
Heading off at 9.45 we headed west then north on a great day for a ride, corner markers were sparce but I believe all made it home safe .

PINK RIDE

Just over 40 bikes turned up with pink bits hanging everywhere , good to see members & guests get into the spirit , after sign on we headed off to Pottsville Tavern around all the back roads led by Gary C , Potty Tavern donated a raffle prizewon by Gary J , in the car park Marks Harley developed a fuel leak [nobody light a match] a bit of tinkering & all was good everyone stood back as he started it..
Off to Tyalgum pub for lunch of burger & chips for \$10 , another donation won by Jenny but Mick claimed it, then off on all the back roads to Kirra just in time to catch the last 3 rounds of the fight. A good day had by all
& thanks to the generosity of members and guests we will make a donation of \$1000 to Wedgetail Palative Care, thanks Gary C & all the corner markers for a great job & to Tony Ball for doing back up ,
